

KADING COMPANIES, SA ANNOUNCES THE CLOSING OF THE ACQUISITION OF 70% OF SYSTEM CEMENT GROUP – UKRAINE, LLC AND YEAREND AND FIRST QUARTER FINANCIAL STATEMENTS

Road Town, Tortola. June 30, 2015 Kading Companies, S.A. (OTC: KDNG), announces the closing of the 70% acquisition of System Cement Group – Ukraine, LLC (“SCG”) and their yearend and first quarter income summary. SCG is located in Vinnitsa, Ukraine.

Kevin Kading, the President, commenting on the acquisition, stated that “this is another major step in creating a global mining conglomerate. I believe that the situation between the Ukraine and Russia has created a very significant opportunity for this company and Kading Companies and I believe SCG has the opportunity to grow significantly, well into the future.” Mr. Oleg Dianov, President of System Cement Group - Ukraine, stated, “The acquisition by Kading Companies will allow us to scale our business more quickly and achieve our broader vision for our project more effectively. This acquisition should add scale and credibility to our business that will allow us to thrive.”

For the year ending on December 31, 2014 SCG’s total sales were just over \$1.95 million US and net after tax profit was \$993.5 thousand US.

SCG ended its first quarter 2015 with \$459.4 thousand US in total sales, and the net after tax profit was \$403.6 thousand US.

Commenting on the acquisition of 70% of SCG Kevin Kading stated, “The acquisition is fully completed and we can now begin the process of building a very sustainable and very profitable company. With the Ukraine government mandating all roadways be of concrete verses asphalt potentially enhances the opportunity for SCG significantly.”

Kading Companies is continuing to seek funding for the alluvial mining project in South America. We are also reviewing opportunities in tailings and mining projects in Nevada, Colorado, Utah, and Montana.

Kading Companies is focused on mining and metals operations that are producing or can be producing within six months of acquisition. Kading is focused on a global basis, with its initial emphasis in South America, Africa, North America and the Ukraine. Kevin Kading, President of Kading Companies said “I am very excited about the opportunities that we are being presented with and I am highly confident we will create significant value for our shareholders, investors, miners and the local communities.”

This news release includes certain forward-looking statements concerning the future performance of Kading Companies, S.A and the Ukraine company’s business, its operations and its financial performance and condition, as well as management's objectives, strategies, beliefs and intentions. The Company does not intend, and does not assume any obligation, to update these forward-looking statements. Forward-looking statements are frequently identified by such words as "may", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. These forward-looking statements represent management's best judgment based on current facts and assumptions that management considers reasonable. The Company makes no representation that reasonable business people in possession of the same information would reach the same conclusions. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of

mineral exploration and development, fluctuating commodity prices, competitive risks and the availability of financing and as described in more detail in the Company's recent OTCmarkets.com filings. Actual events or results may differ materially from those projected in the forward looking-statements and readers are cautioned against placing undue reliance thereon.
